

2009 Ford Mustang Challenge Full Service Arrive & Drive Program

The Ford Mustang Challenge is an exciting, affordable, professional racing Series utilizing the V8-powered, rear-wheel-drive Ford Mustang FR500S. Sanctioned by the Grand American Road Racing Association, the Mustang Challenge has \$300,000 prize fund with The season champion receiving a \$15,000 bonus and a ride in the FR500C at Daytona in 2010. This Series is a must-do for racers who want great "bang for their buck" and who want to compete on a level playing field that tests and showcases driver ability in high-profile events.

WHY RACE IN THE FORD MUSTANG CHALLENGE

The Series has a competitive season of 10 races on legendary tracks like Laguna Seca and Mosport International Raceway, and shares race weekends with Grand-Am Rolex Sports Car Series, KONI Sports Car Challenge, and Mazda's MX-5 Cup Series.

Miami Homestead Speedway (DH) March 14/15

Barber Motorsports Park (DH) April 18/19

Ford Mustang 45th Anniversary Celebration

New Jersey Motorsports Park May 2/3

Mazda Raceway Laguna Seca May 15/16

Mosport International Raceway June 13/14

Mid-Ohio Sports Car Course June 20/21

Autobahn Country Club July 25/26

Miller Motorsports Park Sept. 19/20

It's a spec Series that allows racers to measure themselves with equal cars, on the same tires... to line up on large, competitive grids, to earn prize money and have a great time doing it all!

It's easier on the wallet than many other Series and with cost-efficient double race weekends, the Ford Mustang Challenge is the best deal for your money.

WHY RACE WITH SPEEDWORKS

SpeedWorks offer racers three first class programs: (1) full-support arrive and drive rentals; (2) full-support driver-owned car arrive and drive; and (3) coaching and training.

- Our full support, rental arrive and drive is the official program of the Mustang Challenge Series and offers racers an affordable, hassle-free way to go racing. You just show up with your drivers suit, helmet, Hans device and Grand-Am license. We provide a competitively-prepared race car, vehicle transportation to and from the track, crew, engineer, driver coach, fuel, entry fees, and one set of new tires for each race.
- Our arrive and drive program for driver-owned cars includes servicing and maintaining you car year-round, housing it in on Indianapolis shop, transporting it to and from races, and providing you full race support with our experienced crew. You just show up.
- Our coaching and training programs are designed to improve and expand your performance driving skills. We provide personalized instruction, coaching, testing sessions and high-performance driving experiences.

Our staff and crew have raced at all major race tracks in the country and in most major Series including Midgets and USAC sprint cars, NASCAR, SCCA, Mustang Challenge, and the pinnacle of racing, the Indianapolis 500, where co-owner Peter Parrott won two titles as crew chief for Rick Mears.

We can give you a cost-effective and reasonable budget for the full-season or race-by-race, and we offer a discounted rate for a full-season commitment.
